Reviews

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Maggi Ansell, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Compelling, poignant and heartwarming tales for countryside and animal lovers. In a tranquil rural location by the Beaufort Mountains on Vancouver Island, Canada, the Ansell's ambitiously embark on a new life of small mixed-livestock farming following their air-sea rescue from Cyclone Justin. Developing and populating the farm proves to be both challenging and very rewarding. Dispossessed after losing our sailboat home, we need roots and another challenge so we can be self-employed, work on the land and provide ourselves with food. We rent a chalet on two acres and are allowed to keep a dog and a cat, but can't resist also populating with some farm animals as we search diligently for our farm. We decide to operate on a need to know basis with our kind landlord. Within a few months we find a picturesque small farm tucked under the mountains, with a huge farmhouse and mansard-roofed barns, just begging for love and development. It won't grow hay, or crops, the owner says, but he hasn't encountered our determination. We buy the farm. Choreographing the movement of livestock, and with the help of neighbours, we effect the move. The chicks hide, a sheep escapes, a pig has a learning experience with new electric fences and our landlord's beautiful golden retriever arrives on moving day as we've agreed to look after him for six weeks. He adores his new farm location; a farm boy is what he wants to be, not a city dweller. The idyllic summer weather means long working hours and many visitors, not all of whom are invited. Children and spouses arrive for holidays to work all hours and...
