Quirk Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. At the opening of the international bestseller *Pride and Prejudice and Zombies*, Elizabeth Bennet is already a seasoned warrior-trained in the martial arts, skeptical of romance, and determined to wipe out the deadly dreadfuls. But how did Elizabeth get that way? And where did all of the zombies come from? Readers will witness the birth of a heroine in *Dawn of the Dreadfuls* - a thrilling prequel set three years before the horrific events of *Pride and Prejudice and Zombies*. This comic-horror novel is an all-new work of fiction from acclaimed novelist, Steve Hockensmith. As our story opens, the Bennet sisters are enjoying a peaceful life in the English countryside. They idle away the days reading, gardening, practicing instruments, and daydreaming about future husbands-until a funeral at the local parish goes strangely and horribly awry. Suddenly corpses are springing from the soft earth-and only one family can stop them. As the bodies pile up, we watch Elizabeth Bennet evolve from a naive young teenager into a savage slayer of the undead. We laugh as she begins her first clumsy training with nunchucks and katana swords, and cry when her first blush with romance goes tragically awry. Through it all, of course, readers will be treated to scene after scene of absurd zombie carnage. Complete with 15 dazzling illustrations, *Dawn of the Dreadfuls* invites readers to step back into Regency England-Land of the Undead.
