PUBLIC LIBRARIES, THEIR DEVELOPMENT AND FUTURE ORGANIZATION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Public Libraries, Their Development and Future Organization At this time our main interests and thoughts are directed towards the successful prosecution of the war. The present struggle is to preserve for the nations the right to continue and to improve their social and economic life and well-being, and although the work and progress of libraries, like all other normal activities, have been interrupted and curtailed, we must not permit them to languish and die. It is not necessary therefore to offer excuse for the issue at the moment of this record of the proceedings of the important Library Conference, recently held. The programme of subjects was drawn up with the object of bringing to public notice the more pressing questions which affect the libraries and now demand attention if those institutions are to take their proper place in any considered new plans for national efficiency. The term Reconstruction is being freely used and has even brought forth a new department of the Ministry. The necessity for new methods and a wider outlook has impressed itself upon the people, who, suffering from the catastrophe of war, are the more alive to the lessons the war has brought. Our commercial system and aims are to be re-modelled and improved, and this can only be secured by a re-vivifying of technical and industrial training, which must be built up on the foundation of a wider educational basis. Both in the field of general education and in furthering industrial efficiency public libraries can play a great part. Following the school - elementary and secondary - and as an adjunct to the college and the university, libraries alone can meet...
