By Bertram Moses Bernheim

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Surgery of the Vascular System Inspired to renewed efforts by the achievements of Carrel, and founding their work upon his tenets, workers in clinics the world over have carried out many brilliant researches. Numerous modifications of his suture method have been suggested, for example, those of Payr, Dorrance, and others, and to a certain extent have been adopted, but all have lacked that perfect simplicity so characteristic of the Carrel method and so essential to success in vascular surgery.
