

Mike Stellar: Nerves of Steel (Paperback)

By K A Holt

Yearling Books, 2010. Paperback. Condition: New. Language: English . Brand New Book. What's going on? Mike is whisked away on a trip to Mars on only eight hours notice, and while that sounds kind of cool... things aren't quite right. His parents might be involved in a sabotage plot; the know-it-all, talks-too-much girl in his class seems out of this world; and his sister back on Earth is missing. As if all that weren't enough, Mike's teacher seems to come from the Dark Ages of the twenty-first century, and his mom's assistant is a creepy goon. What could be worse? Oh, yeah! The food stinks! Loaded with laughs and fast-paced action, K. A. Holt's first novel is set to give summer reading a cosmic blast of fun.
