In her newest book, Trisch Price has reinterpreted the concept to create 9 fresh and innovative quilts. The quilts span a wide range of designs and techniques, and interpretations are broad, from trees to other life-sustaining habitats, such as coral, spider webs, and even our technological world. The designs allow you to try your hand at improvisational piecing, including a unique quilt-as-you-go design that employs circles rather than the traditional blocks. Price also includes an explanation of each quilt's interpretation, ideas on how to change it, and special finishing techniques.
