Language: English Brand New Book ***** Print on Demand *****.Excerpt from Election Laws of the State of North Dakota The extensive changes, during the past four sessions of the legislature, in the laws affecting elections, the rights and privileges of voters and the powers and duties of the election officers; the present inaccessability of the laws to any but the lawyer and the trained professional man; the constant demand for a statement, explanation and interpretation of the laws by voter and election officer alike; and the fact that the new codes, now in course of preparation, will not be ready for distribution until after the coming primary election, has necessitated this compilation of the election laws of the state in a compact and comprehensive form. Leading court decisions affecting the more important phases of the election laws and a chronological calendar of election dates have been added for the guidance of the voter.
