In-N-Out Burger: A Behind-the-Counter Look at the Fast-Food Chain That Breaks All the Rules

By Stacy Perman

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, In-N-Out Burger: A Behind-the-Counter Look at the Fast-Food Chain That Breaks All the Rules, Stacy Perman, In fast-food corporate America, In-N-Out Burger stands apart. It is a family-owned chain that steadfastly refuses to franchise or be sold and is an incongruous testament to old-fashioned values, reminiscent of a simpler time when people, loyalty, and a freshly made, juicy hamburger meant something. It has become nothing less than a cultural institution that can lay claim to an insanely loyal following. This is the story of a unique and profitable business that exceeds all expectations. It is a lesson in a counterintuitive approach to doing business that places quality, the customer, and employees first. "In-N-Out Burger" is a keenly observed narrative that explores the evolution of a California fad that transformed into an enduring cult of popularity; it is also the story of the conflicted, secretive, and ultimately tragic Snyder family that cooked a billion burgers and hooked zillions of fans. As the story of "In-N-Out Burger" unfolds, so too does the cultural history of America as influenced and shaped by car culture and fast food.

Reviews

Great electronic book and helpful one. Of course, it is play, still an interesting and amazing literature. I am just delighted to inform you that here is the finest ebook i have got go through in my own daily life and might be he finest pdf for actually.

-- Lora Johns III

Very good e-book and valuable one. It can be writter in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).

-- Mr. Antwon Frami
