Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Judaeae Addresses, Vol. 3: Selected, 1918-1926 The publication of this volume synchronizes with the thirtieth anniversary of the Society's foundation. It contains selections of addresses delivered and papers read since the close of the period covered by Volume II. If space and circumstances had permitted, the Society would have preferred making this volume a complete record of such addresses and papers. In many cases, however, no stenographic notes were taken, and the speakers had not prepared comprehensive notes or copies of their discourses. In other cases, inclusion in this volume would have been duplicative of other permanent publications by other Societies. In all cases, the rule governing the preparation of Vol. II., excluding matter of purely local or temporary interest, has been adhered to. The book, however, contains a complete list of the Society's meetings for the period covered, with the titles of discourses delivered and the names of speakers. There is also added the Constitution and lists of officers and members of the Society. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
