Oxford University Press Inc, United States, 1997. Paperback. Book Condition: New. Revised ed.. 208 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Even though depression has periodically made me feel that my life was not worth living, has created havoc in my family, and sometimes made the work of teaching and writing seem impossible, writes David Karp, by some standards, I have been fortunate. Indeed, depression can be devastating, leading to family breakups, loss of employment, even suicide. And it is a national problem, with some ten to fifteen million Americans suffering from it, and the number is growing. In *Speaking of Sadness*, Karp captures the human face of this widespread affliction, as he illuminates his experience and that of others in a candid, searching work. Combining a scholar's care and thoroughness with searing personal insight, Karp brings the private experience of depression into sharp relief, drawing on a remarkable series of intimate interviews with fifty depressed men and women. By turns poignant, disturbing, mordantly funny, and wise, Karp's interviews cause us to marvel at the courage of depressed people in dealing with extraordinary and debilitating pain. We hear what depression feels like, what it means to receive an official clinical diagnosis, and what depressed persons think of the battalion of mental health experts—doctors, nurses, social workers, sociologists, psychologists, and therapists—employed to help them. We learn the personal significance that patients attach to beginning a prescribed daily drug regimen, and their ongoing struggle to make sense of biochemical explanations and metaphors of depression as a disease. Ranging in age from their early twenties to their mid-sixties, the people Karp profiles reflect on their working lives and career aspirations, and confide strategies for overcoming paralyzing episodes of hopelessness. They reveal how depression affects...
