

The Male Brain: A Breakthrough Understanding of How Men and Boys Think (Paperback)

By Louann Brizendine

Random House USA Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. From the author of the groundbreaking New York Times bestseller The Female Brain, here is the eagerly awaited follow-up book that demystifies the puzzling male brain. Dr. Louann Brizendine, the founder of the first clinic in the country to study gender differences in brain, behavior, and hormones, turns her attention to the male brain, showing how, through every phase of life, the male reality is fundamentally different from the female one. Exploring the latest breakthroughs in male psychology and neurology with her trademark accessibility and candor, she reveals that the male brain: -is a lean, mean, problem-solving machine. Faced with a personal problem, a man will use his analytical brain structures, not his emotional ones, to find a solution. -thrives under competition, instinctively plays rough and is obsessed with rank and hierarchy. -has an area for sexual pursuit that is 2.5 times larger than the female brain, consuming him with sexual fantasies about female body parts. -experiences such a massive increase in testosterone at puberty that he perceives others' faces to be more aggressive. The Male Brain finally overturns the stereotypes. Impeccably researched and...
