Little, Brown Company, United States, 2016. Hardback. Book Condition: New. 216 x 145 mm. Language: English . Brand New Book. They tell me that my memory will never be the same, that I ll start forgetting things. At first just a little, and then a lot. So I m writing to remember. Sammie was always a girl with a plan: graduate at the top of her class and get out of her small town as soon as humanly possible. Nothing will stand in her way--not even a rare genetic disorder the doctors say will slowly start to steal her memories and then her health. What she needs is a new plan. So the Memory Book is born: Sammie s notes to her future self, a document of moments great and small. It s where she ll record every perfect detail of her first date with longtime crush, Stuart--a brilliant young writer who is home for the summer. And where she ll admit how much she s missed her childhood best friend, Cooper, and even take some of the blame for the fight that ended their friendship. Through a mix of heartfelt journal entries, mementos, and guest posts from friends and family, readers will fall in love with Sammie, a brave and remarkable girl who learns to live and love life fully, even though it s not the life she planned.
