Tocology for Mothers: A Medical Guide to the Care of Their Health and the Management of Children (Classic Reprint) (Paperback)

By Albert Westland

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Tocology for Mothers: A Medical Guide to the Care of Their Health and the Management of Children Tocology means a discourse on parturition or child-bearing, and on this subject there are three classes of books needed. Physicians in that line of practice should of course know it all. And their technical text-books embrace a great amount of material which is necessary only for them. Books on nursing of women during confinement are prepared so as to instruct nurses in their special work and duties. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
