Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

UWA Publishing, Australia, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Vulnerability and Exposure: footballer scandals, masculine identity and ethics presents a critical investigation of contemporary masculine team sports and football scandals and their relationship with gendered cultures, institutions and identity norms. Drawing on reports of Australian Rules football off-field scandals over the past decade, the book critically examines cases of sexual assault, illicit drug use and binge drinking, homophobia, violence and other controversial behaviours that have become norms in the reporting of sportsplayers off-field lives.
