Young Skin Diet (Paperback)

By Michelle Lee

Salut Studio, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. This book is the product of author Michelle Lees survey of thousands of peer-reviewed nutrition studies, which she investigated to understand the relationship between the foods we eat and the youthfulness and quality of our skin. The book sets forth the results of Ms Lees research, delineating six principles for healthy eating to support our skin; practical steps to make healthy eating sustainable in our lives; and meal plans, over 75 recipes and skin treatments shown to be effective at delivering proper nutrition to our skin. The book provides beautiful and inspiring full-colour photographs of recipes, allowing readers to understand the simplicity of ingredients and how prepared dishes should appear. The photographs further demonstrate that eating healthy can be delicious and enjoyable. The Young Skin Diet plan is directed at reducing skin inflammation, boosting collagen and elastin levels, enhancing tone and consistency, improving smoothness and ensuring suppleness to the touch. All of which is designed to produce young-looking, radiant skin. At its core, the guiding philosophy of The Young Skin Diet is that, for a diet plan to be helpful, it must be grounded in science;...
