Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Explore the Captivating History and Mythology of the Aztec! Nothing remains of the ancient Mesoamerican civilization who called themselves the Mexica, better known to us as the Aztecs. Nothing except for their remarkable story. In this book, we discuss their enigmatic origins and how the Aztecs rose from nomadic tribes to the dominant power in Mesoamerica at an astounding speed. You ll wander the streets of their great capital city of Tenochtitlan, known as the Venice of the New World among the Spanish Conquistadors, who spread the term all over Europe. You ll discover the full extent of the city s splendour, visiting its many market stalls, smelling fresh chocolate and vanilla pods. You ll indulge in a taste of ripe, hand-picked avocados and freshly baked corn tortillas, as you decipher Nahuatl, the language spoken by the 50,000 merchants who visited Tenochtitlan every day. You ll probably wonder how this great city, built in the middle of a lake and isolated by two of Mexico s highest mountains, Iztaccihuatl and Popocatepetl, could ever be defeated. From the arrival of the first Spaniards in 1519 to the eventual fall of the Aztec empire, we ll talk you through the major battles that eventually led to its fall. We ll uncover lies and deceptions in the alliance with their neighbouring cities of Tetzcooco and Tlacopan. We ll also look at Aztec legacy on the world today: how Tenochtitlan became the basis for the capital of the New World and evolved into today s Mexico City. Some of the topics and questions covered in this book include: The Origins of Aztecs: A Tribe Destined for GreatnessThe Unwelcome Arrival in Mexico ValleyThe Rise of Tenochtitlan...
