Summersdale Publishers, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Fearlessness has got nothing to do with being unafraid. It's about doing things anyway, getting on with it, living, whether you're afraid or not. Courage is about being who you are with your whole heart. Fuzzy-haired, neurotic, cello-playing Catrina is devastated when lover, Jack, leaves her to go surfing on the other side of the world. Trapped in a dead-end job and torn by his departure, Catrina dreams of running away. But how do you run away when you're flat broke? Luckily, her friend Andrew comes up with a plan: they'll get an old van, turn it into a camper and busk their way from Norway to Portugal, via the midnight sun. When Andrew is killed in a tragic accident Catrina decides to go it alone, with disastrous consequences. Until her experiences on the road gradually teach her the real meaning of love, courage and above all else, the importance of following her dreams.
