The Catholic University of America Press, United States, 2007. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. This fifth and final book in Aidan Nichols Introduction to Hans Urs von Balthasar series covers Balthasar's prodigious output from the 1940s to his death in 1988, leaving aside the great multi-volume trilogy. Nichols identifies Balthasar's most significant sources, including the Church Fathers (especially Origen, Gregory of Nyssa, Maximus the Confessor, and Augustine), Henri de Lubac, Karl Barth, and Adrienne von Speyr. He, then, guides the reader through Balthasar's works thematically, covering fundamental theological themes (revelation and theology, divine providence, the paschal mystery), Mary and the church, the saints, prayer and mysticism, and Christian literature. Readers familiar with Balthasar's corpus will immediately recognize the major works on which Nichols draws. Throughout, Nichols calls attention to the way in which these writings fill out and complete the trilogy. With its division of well-chosen sources and themes, the book serves as an introduction not only to Balthasar's later work but to the whole of his theology. Nichols, with his typical clear and elegant style, sets forth a comprehensive picture of Balthasar's thought and the impact it may have on Catholic theology. Previous volumes in the Introduction to Hans Urs von Balthasar series available from the Catholic University of America Press are: *The Word Has Been Abroad: A Guide Through Balthasar's Aesthetics* ; *No Bloodless Myth: A Guide Through Balthasar's Dramatics* ; *Say It Is Pentecost: A Guide Through Balthasar's Logic* ; and *Scattering the Seed: A Guide Through Balthasar's Early Writings on Philosophy and the Arts* .
