Brand New Book ***** Print on Demand *****.Fatal Defection portrays the intersecting lives of several women in North Korea. Mike Avery spent several years studying the culture of the so-called hermit kingdom, hearing the tales and reading anecdotes from the women and men who suffered under abusive and often lethal dictatorship. Even though news about North Korea dominates our media feed these days, what follows is less about politics and more about the personal journeys and triumphs of women taking matters in their own hands. Young women in North Korea are forced into positions they don't want, performing deeds in the service of their country. Or so they're told. But when they don't live up to their promise, they're sent off for re-education at harsh training camps, often never to return to society. Cloistered away in a grim meeting room in the capital city of Pyongyang, top military leadership struggle to find a way to solve a growing national problem: looking like frauds in the eyes of the world. At the heart of it sits one man, stubborn as a tree and dumb as a rock. If only there was a way to rid their nation of him, all would be well. What comes about is an elaborate plan involving spies, assassins, back-stabbers, revenge seekers, and a daring escape from a mountain prison. Don't miss the thrilling end when a group of brave women break free from the confinement of the cruelty that defined their lives.
