GHOST OF A SERIAL KILLER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This futuristic thriller where science has made a gigantic break-through in the field of human genetic engineering is a fascinating story which leads to the uncovering of well concealed secrets. Top secret classified documents were found. If carried out unopposed, their objective would change the world as we know it. The files revealed how society had unknowingly been the focus of many experiments for decades. Who were the powerful people behind this cruel reality? Why did they want to transform the world so that it was under their control? Garth Hauer a competent mercenary was given the ability to cross over into the spiritual realm where the plans to rule planet earth was in motion. Would he be successful in his mission? He only had one chance to save humanity from a group of dictators. He received help from an unusual source and the battle to rescue and emancipate mankind were in their hands. But they faced superior opponents who were upgraded with the most recent technology in the universe!.
