How Lifeworlds Work: Emotionality, Sociality, and the Ambiguity of Being (Paperback)

By Michael Jackson

The University of Chicago Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Michael Jackson has spent much of his career elaborating his rich conception of lifeworlds, mining his ethnographic and personal experience for insights into how our subjective and social lives are mutually constituted. In *How Lifeworlds Work*, Jackson draws on years of ethnographic fieldwork in West Africa to highlight the dynamic quality of human relationships and reinvigorate the study of kinship and ritual. How, he asks, do we manage the perpetual process of accommodation between social norms and personal emotions, impulses, and desires? How are these two dimensions of lived reality joined, and how are the dual imperatives of individual expression and collective viability managed? Drawing on the pragmatist tradition, psychology, and phenomenology, Jackson offers an unforgettable, beautifully written account of how we make, unmake, and remake, our lifeworlds.

Reviews

Complete guideline for publication fanatics. It is writter in easy phrases rather than hard to understand. I am very happy to inform you that this is basically the finest pdf we have study in my personal life and can be he finest pdf for at any time.

-- **Saul Mertz**

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
