NO GOD, NO HELL, NO CHURCHES, NO SALOONS (HARDBACK)

iUniverse, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mary Bouton can hardly believe anyone would want to live in a town without churches or God. But James, her young physician husband, is enthusiastic about Liberal, a new community being built in southwest Missouri. He sees an opportunity to start a medical practice, but Mary and their daughter, Bertha, are less than excited to leave the only home they have ever known. Even so, in a matter of weeks, the Bouton family is on their way to Liberal-a town that greets Christians at the depot with a sign that instructs them to get back on the train and separates Christians and free thinkers with a barbed wire fence. The years pass, and the Boutons immerse themselves in daily life in their new home. Then, tragedy strikes; their son, Claude, becomes the rst person to be buried in Liberal, a town now labeled an atheist, in del community. As they helplessly watch their daughter, Bertha, blame herself for Claude s death and searches endlessly for answers, the Boutons hope that one day, they can live in a peaceful community that embraces the goodness of God. No God, No Hell, No Churches, No Saloons is a compelling historical tale of love, family bonds, and the determination of a family to succeed in a town undergoing great change.
