THE WALK HOME (PAPERBACK)

Little, Brown Book Group, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Stevie comes from a long line of people who have cut and run. Just like he has. Stevie's been to London, taught himself to get by, and now he's working as a labourer not so far from his childhood home in Glasgow. But he's not told his family - what's left of them - that he's back. Not yet. He's also not far from his Uncle Eric's house: another one who left - for love this time. Stevie's toughened himself up against that emotion. And as for his own mother, Lindsey . well, she ran her whole life. From her father and Ireland, from her husband, and eventually from Stevie too. This is a powerful novel about the risk of love, and the madness and betrayals that can split a family. If you cut your ties, will you cut yourself adrift? Rachel Seiffert is an extraordinarily deft and humane writer who tells us the truth about love and about hope.
