Asphalt to Ecosystems: Design Ideas for Schoolyard Transformation

By Sharon Gamson Danks

New Village Press, United States, 2010. Paperback. Book Condition: New. 246 x 216 mm. Language: English . Brand New Book. Asphalt to Ecosystems is a compelling color guidebook for designing and building natural schoolyard environments that enhance childhood learning and play experiences while providing connection with the natural world. Intended for parents, teachers, school administrators, designers, environmentalists, and community volunteers, this book is a fantastic resource that will inspire readers to transform their own school grounds. With this book, Danks broadens our notion of what a well-designed schoolyard should be, taking readers on a journey from traditional, ordinary grassy fields and asphalt, to explore the vibrant and growing movement to green school grounds in the United States and around the world. This book documents exciting green schoolyard examples from almost 150 schools in 11 countries, illustrating that a great many things are possible on school grounds when they are envisioned as outdoor classrooms for hands-on learning and play. The book's 500 vivid, color photographs showcase some of the world's most innovative green schoolyards including: edible gardens with fruit trees, vegetables, chickens, honey bees, and outdoor cooking facilities; wildlife habitats with prairie grasses and ponds, or forest and desert...
