Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kendall Thomas has a new job. One she can't tell anyone in her family about. It was the hardest interview process she's ever been through, but it all boiled down to one thing: her fertility. Now everything she eats and does is strictly monitored as she lives in isolated splendor on the Westland estate. Stephen Westland started an orphan and became a self-made man. But the Billionaire is missing one thing: a family. He has no time or interest in romance or a woman to have a child with, so he does the next best thing: he hires one. Stephen ignores Kendra on the days between her cycle but when the doctor says she is ovulating, he spends every waking moment filling her with his seed. Can he ignore the feelings the young beauty stirs in him? Or the fact that he starts to pray that it takes longer to accomplish their task?.
