DEADLY CROSSING (PAPERBACK)

AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.America's relentless search for terrorists coupled with heretofore unknown and covert eavesdropping techniques and other invasions have uncovered a uniquely coded message between Afghanistan and Mexico. The translation, if it is to be believed, is alarming. Arab terrorists are going to smuggle a Russian into the United States. A retired former special ops CIA agent, Zack Sinclair is brought back in to go undercover in Mexico to find the Russian before he arrives in the United States. Zack learns that funding and transportation for the Russian are financed by a Guadalajara banker for a drug cartel that has corrupted the border and politicians, making Sinclair's task perilous and deadly. A tenuous relationship evolves with a member of the banking family that controls the critical sale of drugs to finance the movement of the Russian to the United States. Their relationship puts them both in mortal danger as the body count rises. When the CIA learns the real reason for the Russian's arrival in the United States, Sinclair alone must find him at all costs, or the results will be America's worst nightmare.
