The new edition of this book has over 90 examples of social stories, including over 30 new stories and also contains a new section on: - why social stories are important - how to use them in your setting - how to write your own social stories. Suitable for use with children of any age, the book includes examples for those children with language delays, communication difficulties, difficult behaviour, antisocial behaviour as well as those with autism. Broken down into 8 sections it is easy to find an example suitable for the situation you are facing so you can work together with the child to create their personal story. A great book for any setting, the stories are practical and achievable, the language is down to earth and believable, and the subjects include those that we are often embarrassed to deal with.
