BELLA BOOKS, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Jaime Rivers, author of the popular romance series, The Quest, survived an accident that nearly took her life. Cajoled into accepting an invitation for a seven-day cruise to celebrate her ten-year high school reunion, she comes face-to-face with her past when the woman of her dreams haunts her days on the warm seas, even as she struggles to keep a secret that tears at her heart. Sierra Connor works for the travel agency responsible for booking her high school reunion cruise. She doesn't want to attend the reunion in the first place because one woman will be there--the one who always made her feel whole but then disappeared and left Sierra's heart and soul crushed without so much as a word. She knows love is for people who can trust, and she's not one of those people. It was only one touch, ten years ago. Forced together once more, will the memory of that one touch ignite a new future? Or will their old hurts quench the flame?.
