Titan Books Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Over the years, Mondo has received global recognition for its incredible art posters that bring to life classic films, TV shows, and comics in a refreshing and utterly striking new way, offering a unique perspective on everything from Star Wars to Robocop, Back to the Future, Jurassic Park, Game of Thrones, Godzilla, Kill Bill, and many, many more. For the first time, The Art of Mondo will bring together this much sought-after art in one deluxe volume that showcases the incredible ingenuity of the studio's diverse stable of artists whose vastly different styles are united by one guiding principle: limitless passion for their subject matter. This richly imaginative work is fueled by a love of pop culture that fans recognize and identify with, giving Mondo's output a rare and valuable synergy with its audience. While these posters are normally produced in a limited quantity and sell out in minutes, The Art of Mondo will allow fans to explore the studio's remarkable back catalog, including Olly Moss's iconic Star Wars trilogy work, Laurent Durieux's brilliantly subtle Jaws poster, and Tyler Stout's Guardians of the Galaxy art. Other key Mondo artists such as Jock, Martin Asin, and Aaron Horkey will also feature. Definitive, visually stunning, and filled with art that celebrates some of the biggest and best-loved properties in pop culture, The Art of Mondo will be the ultimate book for cult art fans everywhere.
