Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I was cycling across Europe in search of Utopia, a place I believed was located somewhere in Greece. When I found it, I would start a new life there. It was my big, fat, Greek midlife crisis. But now I was having a crisis within a crisis. What on earth had I been thinking? I was middle aged and homeless, soon to be penniless, and really and truly no different from that bag lady sitting on the bench over there. I couldn't jack it in and go home, because I didn't have a home to go to anymore. The bicycle and the tent were now home. Wherever I found myself on any given night was now home. And that meant, for tonight, Genoa Piazza Principe Railway Station was home.
