This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. A must have for all pianists seeking a creative approach to developing left and right hand coordination. The exercises and solos (based on the chord changes to well-known standards) are rhythmic, colorful, and fun to play. The chapters cover six specific areas of left hand development and left/right hand integration, with practical application from standard jazz tunes in the form of musical solo piano pieces.
