In early forms of this genre, the type of figures used was animals to represent a certain person. A painting or any type of artwork cannot be called a caricature if the piece does not involve an actual person, because involving a real person as a model is the critical part of this genre. So start taking pictures of your friends or ask for a willing volunteer to be your model and begin drawing caricatures. If nobody is willing to be your model, its okay. I have a few pictures of my friends here and they are more than willing to be models for practicing, mess up their facial features. Its totally fine, they dont care. Follow the steps in this book and become a caricature artist in a short amount of time. Learn how to draw caricatures easily without any formal training. This book will guide you how faces take form step by step, how to base on a model and produce a caricature portrait with ease. This instruction booklet...
