Sometimes the smallest things have the greatest power to change our lives. Young Ava learns this lesson during one special Christmas season. When Ava and her family in New York City decide to add a baby parrot to their home, their hearts grow with laughter and love. It is a nice distraction from a more painful detail of their lives-the terminal illness of their youngest family member. But when the parrot goes missing on Christmas Eve, what was supposed to be a calm holiday gets turned upside down. As everyone gathers together to try to find the lost parrot, the true meaning of Christmas is revealed. Lost Found: A Christmas Story is a tale that will be treasured by readers young and old. With a heartfelt message about family and optimism, this book immerses you in the glow of the holidays. Narrator Ava s wide-eyed perspective on her family and the big world around her presents a story rich with heart. Written with hope, tenderness, and a true understanding of the holiday spirit, Lost Found: A Christmas Story is a touching reminder of what miracles can occur when everyone believes they are possible.
