Brand New Book ***** Print on Demand *****.The babysitter Log (with 2012-2013 calendar) is a better way to know your children and nanny or babysitter's daily activity. In today's busy world, families increasingly are turning to outside support for their day-to-day lives. Caregivers for children and the elderly play an important role in private homes and in the surrounding communities, a reality that demands effective communication between employers and employees. This unique daily planner allows employers to keep a detailed record of the responsibilities and tasks accomplished by their babysitter, nanny, HHA or au-pair, each day. The customizable notebook eliminates the need for employers to verbally communicate every detail of their instructions with their caregiver, creating instead a central written record. It also functions as an easily referenced record of doctor's appointments, birthdays, and other recurring events. With a trilingual glossary-English, Spanish, and French-and specially designed worksheets, The Caregiver's Log is an indispensable tool for those who employ caregivers for their children or parents. Chock-full of helpful worksheets and advice (tips 35 DOS and Don'ts for the nanny or babysitter)...
