Cornerstone. Paperback. Book Condition: new. BRAND NEW, Sickened, Julie Gregory, A young girl is perched on the cold chrome of yet another doctor's examining table, missing yet another day of school. Just twelve, she's tall, skinny, and weak. It's four o'clock, and she hasn't been allowed to eat anything all day. Her mother, on the other hand, seems curiously excited. She's about to suggest open-heart surgery on her child to 'get to the bottom of this'. She checks her teeth for lipstick and, as the doctor enters, shoots the girl a warning glance. This child will not ruin her plans. From early childhood, Julie Gregory was continually X-rayed, medicated, and operated on in the vain pursuit of an illness that was created in her mother's mind: Munchausen by Proxy, the world's most hidden and dangerous form of child abuse. "Sickened" is her story.
