

Transpersonal Knowing

By -

State University of New York Press. Paperback. Condition: New. 352 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. The freshest and most respected thinkers in transpersonal psychology explore the myriad pathways to knowledge. Offering the perspectives of some of the most respected thinkers in transpersonal psychology and consciousness studies, this book explores the farther reaches of knowing, both ourselves and the world, described here as transpersonal, post-conventional, or spiritual. The contributors work is presented from their own authentic knowing, whether through personal narrative or through conceptualization informed by such knowing. They explore what knowledge can consist of as it stretches beyond conventional objective observation and analysis. The contributors further thinking in the areas of philosophy, psychology, transpersonal and humanistic studies, and of science itself, in presenting useful expansions and extensions of ways in which humans can acquire, work with, and demonstrate fuller forms of knowledge and understanding of themselves, others, and the world at large. -- William G. Braud, coeditor of Transpersonal Research Methods in the Social Sciences: Honoring Human Experience This book is done with integrity and heart. The need for pathways to deep inquiry and transpersonal knowing are vital to the field of transpersonal psychology as it matures and as more...
