Reviews

The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Wilhelm Predovic)

YOU CAN TEACH YOURSELF PIANO CHORDS

Mel Bay Publications. Paperback / softback. Book Condition: new. BRAND NEW, You Can Teach Yourself Piano Chords, Per Danielsson, You Can Teach Yourself Piano Chords combines regular music notation with visual illustrations to give a clear picture of how to voice basic piano chords. The first part of the book introduces the student to basic triads and dominant seventh chords in all the inversions. After mastering this concept, material such as Maj7th, min7th, diminished, augmented and suspended chords are introduced, followed by alternate bass note, addition of the 9th and common chord progressions. Regardless of skill level, the student will quickly be able to play an accompaniment by using only chord symbols. The appendix section will give the student a clear understanding in basic music theory. When using this book as a lesson book its very helpful to refer to the appendix section while chords are being learned. The book can be used both for lessons and reference.
