Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

GLORY IN THE GLEN

[DOWNLOAD](#)

Christian Focus Publications Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. No nation on earth has a richer, more colourful, and more long-standing heritage of evangelical awakenings than Scotland - yet most people are unfamiliar with its dramatic legacy. Most historical studies stop at, or before, the Moody Sankey Revival of 1873-74. It is commonly assumed that very few genuine revivals occurred since that date until the Lewis Revival of 1949-53. Tom Lennie thoroughly debunks this idea - showing that religious awakenings were relatively common in Scotland between these dates - and provides a comprehensive account of the many exciting revivals that have taken place throughout Scotland. The Awakenings in the Outer Hebrides and North East fishing communities, that had several unique and striking features, are considered in separate sections. Revivals amongst both children / students and Pentecostals are also given separate treatment. Of particular significance is the first comprehensive account of the 1930 s Laymen s Revival in Lewis. This fascinating, but near-forgotten, movement may have been even more powerful and influential than the later Lewis Revival. Glory in the Glen tells a thoroughly absorbing, and largely untold, story. It is the result of painstaking research, conducted over more than half-a-decade, from hundreds of source materials as well as personal interviews. Much of the material has never before been published.
