In answer to the fourth inquiry: What amount of money will be required to improve the rapids of Rock river, in range 7, east of the 4th principal meridian; and, also, what amount of water-power will be obtained by said improvement: the Board refer the House of Representatives to the report of O. Blane, senior assistant engineer of the Rock river improvement, appended to the report of the Commissioner of the sixth judicial circuit, which was laid before the House of Representatives by the Governor, on the 27th Desember, 1838. In answer to the fifth inquiry: Whether this water-power would not be brought into more immediate use, and rendered more valuable to the State, if the Central railroad should cross Rock river at that point: the Board are unable to answer, not having in their possession a report from the engineer on the subject. But, in order to furnish all information desired, thny have transmitted a copy of...
