Reviews

Excellent e book and beneficial one. It is rally fascinating throug reading through time period. You are going to like how the author publish this ebook.

(Prof. Triston Smitham V)

ORPHAN MOON (PAPERBACK)

Chevalier Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s no surprise this book gained acclamation in several book awards. As I read along, this novel had me cheering, crying, and white knuckling my Kindle. The book flows with themes of romance, dark family secrets, past family conflicts, hope and dreams, and the primal instinct of survival! The Curious Dame - Amazon Five-Star Review 1860 - Palo Pinto, Texas. Under the spectacular glow of a Comanche moon, a family is slaughtered, their homestead torched. Nineteen-year-old Barleigh Flanders survives the terrifying midnight raid. Fiercely determined to rebuild, she seizes an opportunity meant for another. Desperate, near penniless, her foolhardy scheme could prove calamitous, yet it s her only hope. Her grueling physical journey stretches from Texas, to Missouri, and into the rugged Utah Territory. However, it s her emotional journey that takes her to places of uncharted darkness, discovery, and redemption when old family secrets are revealed. What she accepted as her past turns out to be a convoluted lie that reaches across generations, reshaping her memories of the Grandfather she despised, the father she adored, and the mother she never knew. Along her journey she encounters a mysterious stranger. In Hughes Levesque, Barleigh gains an unsought ally with dark secrets of his own. A Texas Ranger turned hired gun, Hughes makes it his personal mission to keep Barleigh safe. Doing so may cost him his life, his job, and his heart, none of which he s keen to lose. Orphan Moon is a heart-wrenching saga of family love, loss, and betrayal. Both a gripping adventure and a timeless love story, it gallops across the bleeding edge of the western frontier.
