An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pencilled Thoughts: A Collection of Poems and Discourses Most of these thoughts were in part pencilled at the age of eighteen, in the only time available to the author for such work - the hours of midnight, and were not completed till the time of their hasty preparation for the press, some two years later. The poems grouped under the heading A Day, are placed in the order of the portion of the day to which they refer. Those under the heading A Week, are in the order of the religious meetings held on the Sabbath and on Wednesday and Friday evenings, concerning which they were written. To poems under other headings no reference need be made. To those who have aided me in preparing these writings for the press I am sincerely grateful, and it is my prayer that the thoughts contained therein may prove a source of blessing and comfort to all who read them.
