

Stop the Continent Grab and the Redd-Ification of Africa

Filesize: 9.25 MB

Reviews

I actually started looking over this ebook. It is definitely simplified but excitement inside the 50 percent of your ebook. You are going to like just how the blogger create this ebook.

STOP THE CONTINENT GRAB AND THE REDD-IFICATION OF AFRICA

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The worst form of slavery is to willingly offer yourself on the auction block, get bought and pretend you are free. This is what participation in the mechanism called Reducing Emissions from Deforestation and forest Degradation (REDD) is. This publication by the No REDD in Africa Network aims to demystify REDD and REDD-type projects, and all their variants, and show them for what they are: unjust mechanisms designed to usher in a new phase of colonization of the Africa continent. From examples presented, it is clear that REDD is a scam and the polluters know that they are buying the right to pollute. The No REDD in Africa Network warns that REDD may be the ultimate wedge to crack open the door for the invasion of the African continent with genetically modified crops and trees. Furthermore, REDD threatens to take over soils, water (blue carbon) and entire eco-systems. It may also rekindle the culture of colonial plantation agriculture infamously called cash cropping . In Africa, REDD is emerging as a new form of colonialism, economic subjugation and impoverishment, and must be stopped.
