The Possible Accession of Turkey to the EU. A Turkish and a German Perspective

By Christiane Landsiedel

GRIN Verlag Dez 2015, 2015. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2005 in the subject Sociology - Political Sociology, Majorities, Minorities, grade: B, University of Dalarna (Master's Programme: European Political Sociology), course: The EU After Enlargement, 15 entries in the bibliography, language: English, abstract: Turkey can be characterized by two contrasting images. On the one hand, the country has been a staunch member of NATO for over 50 years. It has a thriving democracy, a lively free press and a stable government with a big parliamentary majority. Although most of its people are deeply religious, Turkey is ferociously secular. Moreover, its economy is booming: during the past two years, the GDP has risen by an annual average of 8.4 percent and inflation has fallen by three-quarters, near to single figures. In contrast to the current EU, this country has a young and growing population. Its biggest city was a cradle of Christian (and European) civilisation. To sum up, with regard to the mentioned facts, Turkey seems to be a promising gain for the European Union. But also the following aspects depict Turkey: it...
