The shattered landscape of the trenches has become symbolic of the war as a whole, and it is this experience that everyone associates with World War I, but that front was not the only experience. There was the more mobile Eastern Front, as well as mountain warfare in the Alps and scattered fighting in Africa and the Far East. There was also the Middle Eastern Front, in both the Levant and Mesopotamia, which captured the imagination of the European public. There, the British and their allies fought the Ottoman Turkish Empire under harsh desert conditions hundreds of miles from home, struggling for possession of places most people only knew from the Bible and the Koran. The campaign to protect British Egypt from Turkish invasion was especially...
