

Autocad 2017

By Montaña La Cruz, Fernando

ANAYA MULTIMEDIA, 2016. Condition: Nuevo. AutoCAD es el programa de diseño técnico más usado en el mundo y un referente para las restantes aplicaciones de diseño como CAD o BIM. Sus potentes herramientas de gestión e integración le permitirán ser parte de un equipo de trabajo del más alto nivel. Ser la aplicación número uno no se consigue por casualidad, sino por excelencia y respaldo. Conocer AutoCAD es una tarea imprescindible para profesionales, diseñadores y delineantes. En esta última versión se sistematizan procedimientos que incrementan la productividad, incorporando herramientas más versátiles y potentes. Aunque parezca un libro usual, este es un manual innovador en cuanto a los recursos que utiliza para transmitir el conocimiento. Cuenta con un Campus Virtual que incluye un foro para interactuar con el autor y el resto de usuarios-lectores, además de 60 video-tutoriales en los que se muestran, paso a paso, la resolución de todos los procedimientos y prácticas.

Reviews

It is one of the most popular publications. We have read through and that I am sure that I will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually.

-- **Mr. Cloyd Schmidt II**

The best book I actually go through. It can be full of wisdom and knowledge. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Prof. Greg Herzog**
