Thousands of years ago Earth was visited, colonized and ruled by an immortal alien race from the planet Titan. These immortals were considered gods by the indigenous population . humans. These gods ruled Earth from Mount Olympus, but they made a serious mistake . they mated with mortal humans and started a chain reaction among the human descendants that took centuries to resurface that threatened the entire population of Earth. What if you were one of these remote genetic descendants and suddenly awoke one day with sketchy ancient memories, powers you don t understand or know how to control, and vicious enemies you can hardly believe? Could you discover and activate your ancient powers in time to save yourself from an ancient, evil enemy totally dedicated to destroying you? Could you live long enough to unite with others of your kind, whatever that is, for defense or would you quickly die? This is a story of these human descendants (Dark Angels), many young, thrust into battle for their salvation and the salvation of Earth and all its humans.
