Reviews

This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Decision at Doona, Anne McCaffrey, Doona was a jewel of a planet -- a pastoral paradise with rivers, lakes, mountains and seas. The Hrrubans needed it to revitalise their decadent race, to give it back something of the old pioneering spirit. The Terrans needed it as an overspill from the hysterical crowding of Earth, a place to breathe and move without restrictions. So they both sent a colonising party -- and they both began to think of Doona as Home. And then one day the smooth-skinned, two-legged mammal known as Man came face to face with the furry, four-pawed mammal known as Hrruban.
