Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Summary of Originals by Adam Grant | Includes Analysis Preview: Originals provides an insightful window into the most innovative and creative minds that society has ever known. By investigating the reasons why some entrepreneurs were able to effectively transmit an idea or develop a product with mainstream acceptance while others were not, Adam Grant illuminates the ways in which even the most risk-averse can try to become what he calls "originals" in their own right. Originals are made often self-made and not born. These innovators make themselves different from others. Originals are not the thrill-seeking, gambling types. Although creative and risk-taking, they do not actively expose their innovations and creations to danger. They do not stand on the novelty of an idea alone: Originals seek feedback from a variety of sources and actively encourage dissent to further hone their creative argument PLEASE NOTE: This is summary and analysis of the book and NOT the original book.
