

Bebes Con Sindrome de Down: Nueva Guia Para Padres

By Susan Skallerup

Woodbine House. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 8.4in. x 5.5in. x 0.9in. Description in English of the Spanish Edition. . . Babies with Down Syndrome, the trustworthy guide which has benefited thousands of families since it was first published in 1985, is completely revised and updated in a new, third edition. Covering the best practices for raising and caring for children with Down syndrome through age five, this book is invaluable to new parents who have welcomed a baby with Down syndrome into their lives. This new edition incorporates the latest scientific, medical, educational research, and practical information available, as well as parents suggestions and feedback. Existing chapters have been revised, some completely rewritten by new authors, and in keeping with its parent-friendly reputation, most of the book's contributors are parents of children with Down syndrome. Chapters cover: What Is Down Syndrome: A primer on the causes, characteristics, and diagnosis, including the latest information on genetics and prenatal testing; Adjusting to Your Baby: Advice from an experienced mother on coping with common emotions and announcing the news to friends and family; Medical Concerns and Treatments: An overview of possible health issues including celiac disease, sleep apnea, diabetes,...
