Vintage Books Canada, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The author of The Global Forest--an international bestseller and a classic upon publication, beloved by readers around the world--gives us her tips and advice for achieving better health and peace of mind, with frugality, simplicity and pleasure not far behind. In The Sweetness of a Simple Life, Diana Beresford-Kroeger mixes science with storytelling, wonderment, magic, myth and plenty of common sense. Orphaned at an early age, Beresford-Kroeger was tutored by elderly relatives in Ireland in the Druidic tradition, taught the overlap between the arts and sciences, and the triad of body, mind and spirit. After pursuing a Ph.D. in medical biochemistry, Beresford-Kroeger set out on a quest to preserve the world's forests. In this warm and wise collection of essays, she gives us a guide for living simply and well: which foods to eat and which to avoid; how to clean our homes and look after pets; how we can protect ourselves and our loved ones from illness; and why we need to appreciate nature. She provides an easy dose of healing, practical wisdom, blending modern medicine with aboriginal traditions. This inspiring, accessible book emphasizes back to basics, with the touchstone not an exotic religion or meditation practice, but the natural world around us.
